JEROME S. HARDIN FATALLY INJURED

DIES FROM KNIFE WOUNDS IN- FLICTED BY HUGH COMBS AT CATLETTSBURG.

Jerome S. Hardin died last Friday at an Ashland hospital as the result of wounds inflicted with a butcher knife in the hands of Hugh Combs, of Hampton City, a suburb of Catlettsburg. The burial took place at the farm of the deceased on Bear creek, not far from Buchanan.

Mr. Hardin was a son of Mr. and Mrs. W. H. Hardin, of Torchlight, this county, a venerable and highly respected couple. He was a partner of Philip Prescoe, of Louisa, in some timber and real estate enterprises from which they made considerable money. Three or four years ago Mr. Hardin bought a fine farm on Bear creek. Later he purchased the York hotel in Catlettsburg, paying \$10,000 for the property, and moved his family to that place. He was 55 years old and leaves a wife and three children, a daughter ten years old and two little boys 8 and 4. His wife was a daughter of Gid Williams, a well known and popular citizen who lived four miles up Tug river from Louisa. Jerome is the first to die out of a large family, 12 sons and daughters who are informed. The funeral was preached at Catlettsburg and the body was taken to Bear creek.

From the Catlettsburg correspondence to the Ashland Independent we take the following particulars as to the fatal affair.

Wednesday night about the midnight hour, Jerome Hardin, joined into Hugh Combs, probably accidentally. Both men had been drinking. It is alleged. Combs became terribly offended and later when Hardin, Will Justice and Dock Walden were in Jim Lee's restaurant, having ordered a lunch. Combs and two other fellows came in. Combs, it is alleged, got a butcher knife from a boy employed in the restaurant and started toward Hardin, Walden calling to him to stop. He cut Hardin about the head and face and in the stomach, the intestines having been cut out. It is said he was ready to slash again when Will Justice fired a bullet through Combs' ear and grazing his head. Hardin held his intestines until assistance could be rendered. He was taken to the King's Daughters' hospital. Combs is an employee of the new gas plant and is married.

Another report says: Hardin made a dying statement to Commonwealth's Attorney John Coldiron, in which he said while sitting in a restaurant at Catlettsburg, Combs came in and said he was going to kill him (Hardin), and began cutting him with a butcher knife, when Will Justice, who was with Hardin at the table, shot at Combs and saved his life.

An old grudge seems responsible. Warrants are out for Fred Louther and a man by the name of McGuire, both of Catlettsburg, charging them with complicity in the case.

Combs is in jail and Justice has given bond.

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With
Theford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Theford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Theford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

**25 CENTS DESTROYS
YOUR DANDRUFF AND
STOPS FALLING HAIR**

**SAVE YOUR HAIR! MAKE IT
THICK, WAVY AND BEAU-
TIFUL—TRY THIS.**

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.
Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance and incomparable gloss and softness; but what will please you most will be after just a few week's use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

of the European war. Prices have risen in almost every line and to a remarkable extent in many lines. It is well known in this vicinity that W. D. Pierce was a good buyer and that he had a large stock of staple goods when he turned over his stock recently to W. H. Adams, the present proprietor. Mr. Adams is selling a lot of these staple goods in the various departments at prices less, in many instances, than the same goods can be purchased for today at wholesale. Many others are going at the same as present wholesale prices. For instance, a salesman for a large shoe factory came into Mr. Adams' store a few days ago and asked what he was retailing his line at now. Mr. Adams said \$3.50. He said the wholesale price is \$3.50 and you ought to raise the price. Of course, when present stock is exhausted the low prices will be a thing of the past. This is first a hint. Read his advertisement and go and see for yourself.

ACIDS IN STOMACH SOUR THE FOOD AND CAUSE INDIGESTION

"PAPE'S DIAPEPSIN" FIXES SOUR, GASSY, UPSET STOMACHS IN FIVE MINUTES.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and cruritate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can surely get relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why it relieves sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapepsin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach misery and indigestion in five minutes.

POINTS THE WAY

THE STATEMENT OF THIS FORT GAY RESIDENT WILL INTEREST OUR READERS.

Our neighboring town, Fort Gay points the way in the words of one of its most respected residents:

R. Frasher, M. D., Fort Gay, W. Va., says: "The residents of this vicinity suffer considerably from kidney and bladder complaint, due to the poor quality of drinking water. I have found Doan's Kidney Pills to be the one medicine that can be depended upon for relief. It has been my experience that all ailments caused by weak kidneys, such as irregular passages of the kidney secretions, gravel, dropsical swellings, lumbago, pains in the back and hips, etc., can be removed by Doan's Kidney Pills. A few doses of this medicine taken immediately when the trouble is first noticed, will save much misery."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Dr. Frasher had. Foster-Milburn Co., Props., Buffalo, N. Y.

Christmas Presents For The Family!

WE SOMETIMES wonder if the people do not get tired of merchants always claiming to have the best stock ever shown in the community—There are cases where people have a perfect right to (GET TIRED) when you read or hear such claims. Then again there are cases where the people should feel (REST-ED) when they see such claims. Some stores do not advance, others do. When we claim to have a better stock than ever before, you can rest assured that we really have what we claim. The UNDERSELLING STORE has gained ground each year we have been in IRONTON, each year we have made our stock better. We are not satisfied with something just as good—we want something better and we GET IT. This year is no exception, we have thousands of dollars worth of Merchandise shipped into us due us on back orders at low prices. These goods were purchased direct from the mills a year ago and we are just receiving deliveries on same. This is positively your last chance to purchase Merchandise at the former old prices. Come in and be convinced. It is not necessary for us to go into details relative to the grade of Merchandise THE UNDERSELLING STORE carries; for every man, woman and child knows the reputation of THE UNDERSELLING STORE. Come in and save from 25 to 50 percent on each and every purchase you make. You will find at this store anything you may desire in CLOTHING, SHOES, DRY GOODS, NOTIONS, MILLINERY and UNDERWEAR at a far less price than you can purchase elsewhere. Your money is cheerfully refunded on any purchase that is not satisfactory.

THE LOBACO COMPANY

INCORPORATED

MANUFACTURERS
OF SOFT
DRINKS IN
ALL FLAVORS

BAKERS OF
THE FAMOUS
LOBACO BREAD.
CAKES, PIES

Louisia, Ky., Nov. 15th, 1916.

TO OUR PATRONS:--

It has been five months since flour has been within reach of either the baker or consumer, yet we have made no changes in the price of LOBACO BREAD. It now becomes necessary to make some changes.

We do not want to bake a Ten Cent loaf from the fact that we would have to buy over twelve hundred dollars worth of new pans. A ten cent loaf is nothing more than two five cent loaves baked in a narrow pan. There is positively no economy either to the baker or consumer in a ten cent loaf.

We do not want to raise the price to you on our present loaf. Our loaf is now small and to raise the price one cent on the loaf would give us too much profit, the merchants not enough profit and you would have to pay over your proportionate rate for the bread.

OUR PLAN IS THIS. |

By raising the weight of our bread we gain the following; we do not have to buy any additional pans, we do not have to buy any additional shape wrappers and wrappers have advanced three hundred per cent. We save the labor on all additional weight, as we can do this with positively the same costs so far as wrappers, baskets, pans and labor is concerned.

We propose instead of baking an eleven ounce loaf, to bake a fourteen ounce finished loaf, which will sell at retail at eight cents or two for fifteen. Ninety per cent of the people buy two loaves at once. The larger the loaf the longer it will keep and the better the flavor, for it is not all baked out.

Figure it out this way: If you should pay six cents for eleven ounces of bread (present weight) for a loaf that would weigh twenty eight ounces you would have to pay sixteen cents. Our plan will make bread cost you fifteen cents. In other words, by buying a larger loaf you save six and a half per cent, or what we save is not having to buy additional pans, wrappers and labor. This plan will give you bread at about the same cost as at present, and the extra costs are shouldered equally by the merchant, baker and consumer.

Remember that prices will not be changed until after December 15th and three days before we change we will raise the weight of the bread so that you can see for yourself the economy in buying larger loaves and not smaller loaves.

Very truly,
THE LOBACO COMPANY.

TAKE "CASCARETS" IF HEADACHY, BILIOUS AND CONSTIPATED

BEST FOR LIVER AND BOWELS,
BAD BREATH, BAD COLDS,
SOUR STOMACH.

Get a 10-cent box.
Stale, headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.
Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret to-night will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

Hazard, Ky., Nov. 30.—The Perry county grand jury returned indictments against eighteen men, charging them with conspiring to intimidate and drive away workmen of the Continental Realty Company, who were sent on lands claimed by the company on Tennessee creek, this county, to cut timber. Agents and workmen of the company were threatened and work was suspended. All the men indicted are residents of Breathitt county. Three of the eighteen were arraigned in court and placed under \$500 bond to appear in court again today to show cause why they should not be placed on bonds to keep the peace. Warrants were immediately issued for the other fifteen.

This to Corns and Calluses.

If you've ever had corns, you've tried lots of things to get rid of them—salves that eat your toes and leave the corn remaining, cotton rings that make your corns bulge out like pop-

eyes, scissors and knives that make corns bleed and sore, harnesses and bandages that fill up your shoe, press on the corn and make your foot feel like a paving block. What's the use? Why not do what millions are doing, take 3 seconds off and apply "GETS-IT"? It dries, you put your stocking right away, and wear your regular shoes. Your corn loosens from the toe, it lifts right off. It's painless. It's the common-sense way, the simplest, easiest, most effective way in the world. It's the national corn-cure. Never fails.
